February 9, 2018

To Whom It May Concern,

This letter is in response to your inquiry regarding our products and their conformance to the European Union's REACH regulations and whether they contain a content of chemicals on the Substances of Very High Concern (SVHC) list and the current European Chemicals Agency (ECHA) SVHC candidate list.

After a review of our raw material, additive chemical, process and available test data, I can certify that the following nylon non-woven products meet with the REACH SVHC and the ECHA candidate list of substances dated January 18, 2018.

SpectraMax®	Type 60	Vibratex®	Type 24 (<i>black</i>)
PBN-II®	Type 30	N-Fusion™	Type N23
Orion®	Type 70	N-Fusion™	Type N30
Cerex®	Type 23	N-Fusion™	Type N60
Spectralon®	Type 38 (<i>black</i>)		

Custom products, including those with color must be reviewed on a case by case basis. If your specific product is not listed above, please do not hesitate to call me at (850) 937-3346 if you need additional information or further assistance.

Sincerely,

Bart Warner
Product Stewardship Lead
